

TWILIGHT & EVENING PREP CHECKLIST

Everything you need to prep your property before we arrive.

BEFORE WE ARRIVE

- Turn on ALL exterior lights, porch, garage, landscape, and pathway lighting
- Replace any burnt-out bulbs (critical for twilight, dark areas won't show well)
- Ensure driveway and walkway are clear of vehicles and debris

EXTERIOR

- Turn on pool lights and water features if applicable
- Remove any visible hoses, tools, or yard equipment
- Ensure the front door area is clean and well-lit
- Fire pit or outdoor fireplace: lit if safe and adds ambiance

TIMING

- Twilight shoots are scheduled at a specific time, please be ready 15 minutes early
- Weather can shift timing, we'll confirm the day of if needed
- All sellers and pets should be off-site before we begin
